If approved for funding as a FY2026 Region M Grantee, we subsequently agree to furnish Waste Diversion, Waste Reduction, Quarterly Reports, and/or any other information relevant to the project objective for the length of the project or other dates as specified by Region M Waste Management District Board of Directors and/or staff.

Region M FY2026 Grant Cycle – 5 Year Reporting Requirement:

The Grantee hereby agrees that any equipment purchased pursuant to this agreement shall be used for the performance of services under the agreement during the term of this agreement, and for five years thereafter. The Grantee shall annually submit a statement as provided by the District certifying the use(s) of said equipment is for project activities.

Project Income:

We agree that if there is any project income, it is to be reinvested in the project.

The Grantee will grant to Region M and/or its successors a security interest in all equipment purchased by the Region M Grantee for \$5,000 or more, in whole or in part, with grant funds received from Region M. Region M staff will file UCC-1 with the state of Missouri.

The security interest in equipment owned by the Region M Grantee shall be equivalent to the amount of funding provided by Region M for the purchase of the equipment.

Unless the MDNR Waste Management Program or Region M notifies the Grantee in writing of a material breach of the FAA or any documents incorporated herewith, the Region M security interest in the equipment shall remain in effect for a period of five years, beginning one year from the date of purchase shown on the equipment purchase invoice. For this five-year period, the Region M security interest shall reduce yearly by 20% of the amount of funding provided by Region M for the purchase of equipment.
